SECTION 1: General Information

What is an RSO?

RSO stands for Registered Student Organization, more broadly known as a club. RSOs allow for a group of students to gather around a common interest. RSOs have the following benefits:

- May apply for funding through Student Government
- May reserve and use college facilities and vehicles for club activities
- May apply for an email account and Google site
- May conduct approved fundraisers
- May advertise club events on campus
- May use Student Engagement and Campus Activities (SECA) resources and supplies

An RSO is comprised of an Executive Board (those who lead the organization), the general membership, and a faculty/staff advisor. An Executive Board must be comprised of at least a president and Treasurer, though an organization may have additional positions.

Who can be in an RSO?

Only currently enrolled Juniata College students may be a member of an RSO.

Who can start an RSO?

Any current Juniata College student can start an RSO by following the process outlined in this handbook.

Officer Positions and Responsibilities

All RSOs are required to have a president, treasurer, and a faculty/staff advisor. While each position has duties that are traditionally designated to certain members, it ultimately falls on all the club leadership to ensure all policies, procedures, and requirements are being followed/met.

Officer roles should be selected via an election process during the Spring Semester. Should positions fail to be filled during this open election process, you may then move to an appointment system.

President's Role

Generally, presidents will oversee the general operation of the club, such as membership recruitment, general event planning and oversight, and determine club initiatives. It is the responsibility of the president to ensure all RSO paperwork be completed and turned by established deadlines.

Treasurer's Role

The club's treasurer is responsible for maintaining all financial and budgetary information. This includes keep track of the club's finances, controlling spending, and understanding account operations such as cash advances, cash advance clearing, additional funds requests, and p-card usage.

Advisor's Role

An advisor must be a currently employed Juniata College faculty/staff member. It is strongly encouraged that the club leadership and the club advisor have a strong relationship as related to RSO business. An advisor serves a sounding board for ideas, helps club leadership process all aspects of event planning, including risk, liability, and contingencies, and serves as a resource of institutional knowledge, policies, and procedures.

General Membership

Clubs are required to maintain at least 10 active members. All members must complete a participation agreement form by Friday, September 22, 2017.

What is a CIS Groups?

A CIS group is a Common Interest Sector. Clubs are placed into CIS groups based on interest area: advocacy, arts, club sports, communication & programming, cultural, outdoors, science, service, spiritual organization.

What is Allocation Board and RSO Approval Board

There are two committees that serve as the governing bodies of the RSOs.

RSO Approval Board

This board is led by the Student Government Vice President. Membership is comprised of six (6) current RSO officers who complete an application and interview process. The RSO Approval Board reviews, discusses, and votes on applications to form new RSOs.

Allocations Board

This board is led by the Student Government Treasurer. Membership is comprised of current RSO officers who complete an application and interview process. The Allocations Board reviews, discusses, and votes on financial petitions and allocations from RSOs.

Lobsterfest

Lobsterfest is our annual involvement fair and a campus tradition! It is held during one of the first weekends of the Fall Semester. RSOs (and those attempting to become RSOs) can sign up for a table to recruit new members.

Office Supplies

SECA has office and art supplies for your RSO to use. You will only be allotted one roll of blue tape for posting at a time. Should you fail to return it, your RSO will not be able to use office supplied blue tape for the remainder of the academic year. The office has a fax machine RSOs are allowed to use for club purposes.

SECTION 2: Club Registration Process

Registering to Become an RSO

Registration Process:

1. Determine your interest area (i.e. cupcake decorating, napping, running very early in the morning)
2. Verify there is not already an RSO filling a similar niche by visiting the RSO section of the Student Engagement and Campus Activities website (<http://www.juniata.edu/campus-life/activities/clubs.php>)
3. Determine a president and treasurer and find an advisor
4. Complete the online registration form found on the Student Engagement and Campus Activities website.

2. The Student Government RSO Approval Board reviews and has final approval/disapproval.
3. Student Government will notify you of their decision.
4. The RSO will be placed into a CIS group
5. SECA will schedule a training on all club policies and procedures.

Re-Registering an RSO

All RSOs must re-register every year by completing the online re-registration form to maintain active status.

Should an RSO fail to meet the stated deadline, the RSO will be designated inactive and all club fund will be transferred into the Student Government Contingency Fund. RSOs that fail to re-register must submit the new RSO application form in the Fall of the following academic year.

SECTION 3: Budgeting

Requesting Funding

Spring Request Process

Allocations for the upcoming year are held every Spring Semester. Allocations Board will hold an informational meeting early spring to describe the process and timeline for RSOs.

Following the submission of all allocations requests, Allocations Board meets, deliberates, and makes recommendations to the general Senate body for final approval of allocated funds for each RSO.

Petition for Additional Funds

Should a club need to request funds outside of the designated timeframe during the Spring Semester, an RSO can fill out a petition for additional funding (Additional Funds Form) available on the SECA website. Allocations Board, in conjunction with Student Government, then determines if the request will be approved.

RSO Budgets

All student organizations have an account through Juniata College (format: 21-AAAAA-XXXX). RSOs are not allowed to have any outside financial accounts. You are given your code and balance at the beginning of the academic year during the annual Presidents and Treasurers training.

RSOs are expected to keep accurate, ethical records of financial matters. Please note, RSOs will be randomly audited throughout the year. Please make sure to keep your records up to date!

Object Codes

When depositing funds, the last four digits of your account number will be 4829 (i.e. 21-AAAAA-4829)

When withdrawing funds, the last four digits of your account number will be 6199 (i.e. 21-AAAAA-6199)

Purchases

You may use the following options when making purchases on behalf of your club.

- *Purchasing Cards (P-Card)*: This is your easiest and best method for making purchases. To have a P-Card, a club must:
 - Have at least \$800 in its account at the start of the academic year
 - Complete required paperwork with Betty McKim in Account Services

P-Cards must be reconciled at the end of each month. As such, you must turn your receipts into the SECA office by noon on the 28th of each month. SECA will then verify your receipts and statement align.

Failing to turn in receipts will result in a warning. A second offense will require the club to return their p-card for the remainder of the academic year.

- *Purchase Orders (P.O.)*: If a company does not take a p-card or check, you may use a purchase order. You may complete the purchase order request form found on the SECA website and turn into Betty McKim in Accounting Services.

- *Payment Advance:* An advance is money pulled from your club's account prior to the purchase. To receive a payment advance, complete the accounts payable voucher form and submit to the Bursar's Office in I. Harvey Brumbaugh House between 10am and 3pm, M-F.

Once purchases have been made, bring the receipts, unspent money, and a completed Advance Clear Form to I. Harvey Brumbaugh House to be re-deposited. You must submit these items **within one week** of purchases being made.

When paying an outside vendor, a set amount, you will use a check advance. You will need to complete the Accounts Payable Form and have a W-9 form and contract for the vendor.

You must submit your advance request by Tuesday at noon to Erika Slocum by noon for the payment to be processed by Friday morning.

When reimbursing personal purchases for club purchases, complete the Accounts Payable Voucher and submit to I. Harvey Brumbaugh House.

Please note, all purchases are tax exempt. Wal-Mart has a special tax exempt card you can check out from Betty McKim for purchases from Wal-Mart.

Deposits

To deposit funds into your club account, complete the Deposit Form and take to I. Harvey Brumbaugh House.

Section 4: Event Planning

General Events

When planning an event, please submit the electronic Event Registration Form found on the SECA website. This form will ask various questions about the type of event, the location needed, catering needs, fundraising, alcohol availability, etc.

Movie Events

If an RSO is going to show a movie, you must purchase a license to do so. Please email osa@juniata.edu if you are interested in showing a movie, and we will talk through this process in more detail.

Traveling Events

When traveling for a club function, RSOs must comply with the Juniata College Travel Policy. All of JC's rules and regulations still apply when traveling off campus.

To drive for official college purposes (including club use), students must be pre-approved through Facilities Services. Students can reserve a college-owned vehicle by calling Facilities at x3316. The college reserves the right to restrict usage of college vehicles.

Clubs may also reserve a rental car at the local enterprise (814-643-5788) under Juniata College. The driver must still be an approved driver.

Fundraisers

Fundraisers are considered events and the Event Registration Form should be completed prior to the date of the fundraiser.

Only RSOs may solicit funds door-to-door in residence halls or other college buildings. You must receive permission from the Office of Residence Life prior to the event.

If you would like to sell tickets, merchandise, t-shirts, etc., you must do so at an Ellis Hall lobby table or in a residence hall lobby with the permission of Residential Life.

You may hold raffles and 50/50 drawings. However, you are not able to have betting pools (such as poker tournaments or sports tournament pools).

RSOs must deposit all fundraised monies into their account prior to donating or spending.

SECTION 5: Additional Policies

Code of Conduct

RSOs, club leadership, and members are expected to adhere to all College policies, including policies related to diversity, sexual assault and harassment, and hazing. Clubs found in violation of these policies can be subject to adjudication and disciplinary action.

High Risk Activities

Bungee jumping and sky-diving are considered high-risk activities and are not allowed. Other activities may be reviewed and considered high-risk and not permitted.

Club Sports Specific

Club sports work directly with SECA staff for reservation of field and athletic spaces for practices and games. Club sports must follow all Athletic field space policies while using the field spaces.

It is highly recommended that all club sports have at least one person who is CPR certified present for practices and competitions (it may be a member of the club).

Juniata College assumes no financial responsibility related to any injuries that occur during practices or competitions. Athletic staff and resources are not available for club sports.

When seeking to work with children under 18 years old in an official college capacity (including as a club event), JC students must receive a criminal background check and a child abuse clearance. Please note, these clearances can take up to 2 months to process.

Sodexo Catering Policy

If you would like food at your event, you must request from Sodexo. If you wish to use an outside vendor, please indicate this in your Event Registration Form. SECA staff will follow up with steps for pursuing outside vendors.
