Mission Statement

The Beeghly Library is an integral resource in support of the educational programs of Juniata College. The Library provides scholarly information and library services necessary to enhance academic life and encourage lifelong learning throughout the College community.

Reference Services

Reference Librarians are available to answer questions and assist patrons Monday through Thursday 8:30 a.m. to 9:00 p.m., Friday 8:30 a.m. to 5:00 p.m. and Sundays 3:00 to 7:00 p.m. during the academic year. During the summer term our hours are 8:00 a.m. to 4:00 p.m. Ask a librarian for help with your research strategy, tips for searching databases, or any other research need. The Reference Desk phone number is 814-641-3453.

Library Instruction

In addition to one-on-one reference assistance, librarians are available to guide classes through specific research projects. Instruction sessions may be scheduled at any time convenient for classes and can be tailored to address specific needs and assignments. Course instructors are asked to attend all instruction sessions with their students.

Circulation Policy

A Juniata College Gold Card or Juniata College Friends of the Library membership card is required each time one borrows books from the Library. Only those holding Gold Cards can borrow videos, reserve items, laptops, and Curriculum Library material. Please present the appropriate card, with your materials, to the circulation desk.

FINES

Books, DVDs, & Videos: 25¢ per day
Laptops: \$1.00 per hour

Inter-Library Loan

Students, Faculty and Staff of Juniata College may request books and journal articles from other colleges and university libraries through inter-library loan. Individual loan request forms are available from the Circulation and Reference Desks. Please submit requests as soon as possible as most requests take at least 2-3 weeks to fill. **Before submitting requests, it is suggested that you consult a reference librarian for possible alternatives or local ownership.

Two-Hour Reserves

Books and materials used by a professor for a given class can be placed on reserve at the circulation desk. Reserve materials may be signed out for a period of two hours with a valid student ID only. Materials for reserve should be delivered to the Circulation Desk several days before they are required for use by the students.

General Reserve Policies

- ✓ It is the responsibility of each faculty member to retrieve or photocopy all materials to be placed on reserve and bring them to the circulation desk.
- ✓ Requests will be processed in the order they are received. Please allow at least 48 hours for materials to be available to the students.
- ✓ We will place one photocopy of an article on reserve for every ten students in a class, up to a maximum of five copies. This is in line with the fair use guidelines developed in accordance with U. S. Copyright Law.
- ✓ No material that violates U. S. Copyright Law will be placed on reserve. Generally, this means that we will place photocopies of one chapter or 10% of a single work which the library does not own on reserve.
- ✓ We cannot place materials obtained through inter-library loan on reserve. If we do not own a title, we will purchase it as quickly as possible.
- ✓ Personal items may be placed on reserve; however the library will not be responsible for loss or damage of personal items.
- ✓ Course syllabi for the current semester can be placed on reserve.
