Carousel will also have other applicants for other positions on campus present such as FYF Facilitator, JAB Board Member, and Inbound Leader.
- Individual Interviews: will be conducted by professional staff members of the Office of Campus Life. Not all individuals who participate in Carousel will be invited to an individual interview.
- Staff Notification: all candidates who participate in the Individual Interview will receive a notification of whether they've been hired and assigned to be an RA in a specific building/area for the upcoming year or if they've been assigned to our alternate list for the upcoming year.
